

Martin Elementary School

Carrie Shepherd, Principal
626 Pinehurst Drive | Green Bay, WI 54302
Phone: (920) 391-2405 | www.gbaps.org

Dear Parents,

We aim to have a safe dismissal at Martin on a daily basis. We will be explicitly teaching students the expectations for dismissal and crossing so they learn:

- How to cross **only at the crosswalk and corners**
- Where to stand if waiting for a parent to them pick up
- Bike rules
- Parking lot safety
- Bus line safety and bus expectations

Our hope is that you can help reinforce safety procedures by talking with your child about what they learn and by being role models of safety on school grounds.

The Green Bay Police have stated that there is no parking on Sunrise, on the side next to the school. The signs state that there is no parking from 7am-4pm (§§ 346.52). Parking is allowable on the opposite side of Sunrise, in certain areas on Pinehurst (check the signs before parking), and on Calvin Ct. If you choose to park across the street from school, **we ask that you use the painted crosswalks that are in place on Pinehurst and on Sunrise. Please do not cross between buses or other unmarked areas of the street.**

There will continue to be a teacher crossing students on Pinehurst Drive. If you choose to pick up on Calvin Court please be respectful of the properties on that street. We also ask that you do not use the parking lots during drop off or pick up times due to the amount of traffic and children that are present at that time. There are cones blocking the lots for this purpose. **Also, please do not use the church parking lot for any reason affiliated with the school, for dropping off, picking up or just parking. They have stated that their insurance does not cover public parking.** Finally, remember that the speed limit in school zones during times when children are present is 15 mph (§§ 346.57 a).

Please see the reverse side for a map of school grounds for more detail.

Our goal is to get all children to and from school safely. As always, if you have questions please call Mrs. Shepherd. Let's make it a safe year!!

Carrie Shepherd and the Staff at Martin

Where Can I Drop Off and Pick Up My Child From School?

Martin Elementary School
