Welcome Martin/Froebel Kindergarten Families!

Martin Elementary has begun a very large construction project adding a new gym, new library, eight classrooms, and many interior renovations. With all of these projects happening the district must move our kindergarten classes to Froebel Garden of Early Learning, at 3542 Finger Road, for the 2019-2020 school year. Next year Froebel will have only three Martin kindergartens and one Martin 4K class. These classes will then return to Martin the following year, 2020-2021.

A few things to note for next year:

- Four Year Old kindergarten times will be 8:40 - 11:45 and 12:25 - 3:30.
- 4K AM students will be eligible for breakfast, and 4K PM students will be eligible for lunch. Meals are part of the curriculum and will be in the classroom. Families are welcome to send their own meal or snack if they do not wish to purchase breakfast or lunch.
- Five Year Old Kindergarten will start at 8:57 with breakfast starting at 8:35. All students will come inside starting at 8:35. School will be out at 3:30.
- All students attending Froebel will be eligible for district busing. The Green Bay School District Transportation Department should contact you via mail or phone in August with bussing information.
- All students attending Martin's Y Daycare Program before and/or after school will also have district busing to and from Froebel available. Please complete this form if you would like your child to have district busing from daycare at Martin: [Daycare Transportation Request](#) (link also on Martin's website)
- Mary McCabe is the principal at Froebel and will work with the kindergarten students and families for the school year on all school related events such as Meet the Teacher (August 28th from 4:30-6:00), parking etc. Please expect a detailed letter from her in August.

If you have any questions about next school year please email or call Carrie Shepherd (Martin principal) or Mary McCabe (Froebel principal). We appreciate your patience as we work through all of the details for the next school year.
